

Making a Referral for Adult Services

Linden Behavioral Pediatrics (Linden BP) is a premier clinical psychology practice specializing in the assessment and treatment of individuals throughout the life span — beginning in toddlerhood and extending into the senior years. We strive to offer exceptional care so that presenting problems are resolved quickly and stability and happiness are restored. We offer a seamless continuum of services to ensure the most comprehensive care by collaborating with the specialists on our team, as well as with primary care physicians, and medical subspecialists. Only the most effective and empirically-supported interventions are utilized, and treatment is custom-tailored to best meet the needs of each individual within the context of the larger family system.

Services offered:

- Individual treatment for a range of psychological concerns including anxiety, depression, anger, stress, relationship issues, and grief, to name a few.
- Specialized care for women struggling with fertility, pregnancy loss, and postpartum depression
- Couples therapy
- Group therapy

Billing & Insurance:

Linden BP is a fee-for-service based practice, which means that our doctors are considered “out-of-network” by all insurance companies. While we are happy to provide the documentation necessary to assist with submitting a claim to your insurance company, we do not manage insurance claims directly.

How to Request an Appointment:

Call Linden BP directly at 440-250-9880 or utilize the online appointment request form <http://lindenbp.com/schedule-an-appointment/>

Where We Are Located:

Our office is located on 29055 Clemens Road, Suite A in Westlake, Ohio. This is just off of interstate 90 where, heading north and taking the first right onto Clemens Road where we are located in a collection of office buildings about a half mile down the road on your right.
